Public Comment Period Extended to June 30 for Wyckoff/Eagle Harbor Superfund Site

May 2016

This is a reminder that the U.S. Environmental Protection Agency invites your comments on its Proposed Plan for cleaning up contamination remaining in parts of the Wyckoff/Eagle Harbor Superfund Site, on the east side of Bainbridge Island. This is an important stage in the Superfund process. We want to hear from you! Your comments can help shape the cleanup plan.

The original comment deadline of May 31 is extended to June 30, 2016

Read the Proposed Plan and Fact Sheet, and get more information about the site at
<http://www.epa.gov/superfund/wyckoff-eagle-harbor>

We will consider all comments received through June 30 before choosing a cleanup plan.
Mail your comments, postmarked by June 30, 2016, to:
